Dear FPA Member

I am writing you today regarding the coronavirus, COVID-19. I know you have been hearing and reading a lot about this, so I will be brief.

Many of us fall into the Center for Disease Control and Prevention’s high risk category of people over the age of 60. Because of this, the rapid spread of this disease, the CDC recommendations for “social distancing”, and our concern for your health and safety, the board has made the following decisions regarding our remaining events for the 2019-20 season:

- March 26th dinner meeting on National Defense Strategy with David Ochmanek will be cancelled for this season and rescheduled next season (2020-21)
- April 16th IF Reception will be cancelled
- May 12th Embassy trip will be cancelled
- May 21st dinner meeting on Iran with Jim Roberts will remain as scheduled pending the situation at the time. You will hear more from us closer to the date.

Those of you who have paid for the embassy trip will be refunded in full.

Our website at www.fpaharrisburg.org will be updated shortly to reflect these changes. Thank you and please stay healthy!

Sincerely,

Howard Davison
FPA President
