## FOREIGN POLICY ASSOCIATION OF HARRISBURG

P.O. Box 60665, Harrisburg, PA 17106-0665

April 15, 2020

Dear FPA Members

I hope you are all well, healthy, and staying out of harm's way in this difficult period.

I have a few things that I would like to pass on:

- **April Business Meeting:** Our by-laws require that we hold a general membership business meeting in April each year for the election of officers and board members. Since we are not having an April dinner meeting, the board has decided to have the annual business meeting with voting by email. Here is how it will work:
  - The elections will include the four officers (President, Vice President, Treasurer, and Secretary), and 8 board positions.
  - **Nominations:** If you have someone (including yourself) that you would like to nominate, please send his or her name to Dave Spader, our Nomination Committee Chairman by **April 22**. Dave's email is [davespader@verizon.net](mailto:davespader@verizon.net) and his address is 4780 Sweetbriar Terrace, Harrisburg, PA 17110. Our secretary, Kylee Petritsch, will not be returning next year (she is starting law school), so nominations or volunteers for the secretary position would be greatly appreciated.
  - **Ballot:** Dave will send out the ballot of nominees to all members directly by email after receiving your nominations.
  - **Vote:** All members will send the completed ballot with their votes to our Secretary, Kylee Petritsch, in a separate email with subject: **VOTE FPA**. Kylee's email is [kpc006@LVC.edu](mailto:kpc006@LVC.edu) and her address is 30 Rosedale, Hershey, PA 17033. **Please return your completed ballot by April 30.**
  
- **May Dinner Meeting:** It is probably no surprise to anyone, but the board has decided to cancel our May 21, 2020 dinner meeting and presentation. The topic was to be: "The US and Iran: How Did We Get Here and What's Next?" with speaker Jim Roberts. We will try to reschedule this topic and speaker for next season (2020-21). Our next scheduled dinner meeting will be in September, 2020 if the current situation has cleared up by then. We regret having to take this action, but your health and well-being are most important.

One last thing ...

- **Foreign Policy Articles:** We have been sending you articles regarding foreign policy in these trying times. We have had positive feedback from a number of you, so we will continue to do so. Attached to this email are two articles that I hope you find interesting.

Very best and please stay healthy,

Howard Davison  
President
